Dear Colonel Baird:

(U) Speakers from the Central Intelligence Agency were of material assistance in assuring the successful conduct of the Senior Foreign Officer Intelligence classes during fiscal year 1962, and it would be most appreciated if they can be made available to speak to the three classes currently programmed for fiscal year 1963.

(C) The first such class of fiscal year 1963 is scheduled to commence 16 July 1962 and will continue through 21 September 1962. The class is expected to consist of approximately 17 field grade officers from the Philippines, Japan, Thailand, Korea, Laos, Taiwan, Cambodia, and Vietnam.

(U) It would be most appreciated if your speakers could be made available to present lectures as indicated on the inclosure to this letter. We have included on the list of subjects and scopes the names of your previously designated speakers, together with proposed times and dates which would place the presentations in proper sequence to the remainder of the course.

(U) In addition to our request for guest speakers to address the students at Fort Holabird, it is requested that these foreign students again be permitted to visit your Agency, as in the case of our previous foreign classes, to include presentations by CIA on "Strategic Intelligence," and "Elements of National Power and the Concept of National Security." These subjects were most capably presented previously by [redacted] Subject to your formal approval, this visit will be tentatively scheduled for 23 July 1962.

(U) As in previous foreign classes, the students will be cleared for access to U. S. security information classified **CONFIDENTIAL** Modified Handling Authorized, and will presumably speak and understand the English language, as required.
